Here We Are!

Educational Insights

Introduction

Charlie-Kao Ind. Co. Ltd. was found by Mr. Charlie Kao in 1990, with strong R&D background in novelty and chemical toy field.

He believes innovation and creativity in R&D, and production quality are the important base for factory. We also offer end-to-end OEM service.

From product R&D, design, manufacture, to all kinds of service, Charlie-Kao Ind. Co. Ltd. provides the best service on various perspectives, and this gives the advantage of differentiation from its competitors. Charlie-Kao hopes to be ahead of customers' expectations, and create exceptionally satisfaction.

Utilizing extensive packaging and manufacturing experience, Charlie Kao Industry is a leader in chemical toy field, especially for its great quality and speedy delivery, including OEM products. Quantity controls the prices, with carefully controlling the fixed cost, their goal is to reach **"we are not more expensive than the others, and our quality is definitely better!"**
